Dear Keith

I wanted to write to you to thank you for all the support you have given us with our PPE. Not only did you assist with the transfer of it all from our Rennie House office in Tring to your warehouse, you stored it for us over the last few years. You even facilitated various regular pickups through that time as we drew down stock.

Recently, I understand that you arranged for all the expired PPE to be palletted up ready for the disposal company to collect, up to 10 pallets I believe. We are extremely grateful for all you have done for us.

Thank you for all your support.

Kind regards

Stewart Marks
