

Tring Summer Carnival 2022

Chiltern Transport & Warehousing Limited - Supporting the Local Community

Thanks, from Tring Boot Camp:

I just wanted to thank you so much for a providing the lorry for our Bootcamp parade float and I wanted to pass along to you that your drivers yesterday were EXCELLENT! They were so engaged, friendly and helpful, such great ambassadors for your company!

Thanks, From Tring Together:

Many, many thanks for Saturday. Here's the 1st photo that shows the floats in action and I'm sure there will be more. The four groups were all absolutely delighted to be on a float - and also complimented your drivers, who were brilliant. Please thank them for us.

Thank you again. 2023?

Thanks, from Tring Music Partnership:

I just wanted to say thank you for the lorries and also for taking the time to come and check they were all ok - not many people would bother!

Your drivers were fantastic, and nothing was a problem for them which made them easy to work with. I even got Chris to help decorate the truck 😊

Thanks, from Tring Radio:

We just wanted to thank you for the loan of the lorry last Saturday for the carnival. Your driver Chris is such a nice guy, he's a great ambassador for your company. We wouldn't hesitate to recommend Chiltern Transport to anyone who needs the use of a transport company! If there's ever anything you'd like Tring Radio to promote for you, please do get in touch.
